

## Emergency appointments now available

Dear Patient,

We are delighted to tell you that we are now able to provide emergency treatment from our premises at Queen Edith's Way, Cambridge.

Following the Government's announcement yesterday, from 8th June we will be able to expand this service and we will initially be offering appointments to patients who were midway through treatment as lockdown commenced.

Whilst regulations now allow us to offer a full range of dental treatment, for the safety of you and our team, we have planned a slow, phased return looking after our patients who have the most urgent need for treatment whilst ensuring that we are able to meet social distancing rules and avoid congestion in the practice. For this reason we are unable to offer examinations and hygiene appointments at the current time but rest assured that we are working hard to resume all of our services. We will keep you up to date with our progress and look forward to seeing you as soon as we are safely able to do so.

Kind regards

Julian, Ian, Wail and Cyrus
