

Greetings!

As we enter the tiered system of restrictions and commence a vaccination programme, we want to reassure all of our patients that it is safe and essential to attend the dentist for both routine and emergency treatment. We will remain open throughout the pandemic and your well being is our utmost priority. All of our staff are highly trained in infection control techniques and the practice has been adapted to deal with the current situation.

For those patients who have already visited us since reopening, we thank you for following our new guidelines to help keep us all safe. We ask that all patients continue to wear a mask unless exempt, and to adhere to the government guidance of face, hands, space.

If you are yet to book an appointment we want to reassure you that the practice is a safe environment and we have had great feedback from our patients telling us how safe and protected they feel as a result of the extra measures we have put in place. If our reception team has not contacted you about booking an appointment, you can of course contact us when you feel ready. We will be delighted to welcome you back at any time for your ongoing dental care.

Keep safe and please read on for our latest news and developments at both of our practices.

Hygiene Appointments

We ask you to bear with us if you are trying to make an appointment with our hygiene team as we know they are not readily available at the moment. All hygiene treatment generates an aerosol, which means longer appointments to accommodate extra cleaning and overall

Mouth Cancer Fundraiser Walk

Well done to our lovely Hygiene team who recently took part in the Mouth Cancer Fundraiser 10K Walk to raise as much money and awareness as possible.

Although disappointed not to be able to walk as a team, they enjoyed walking routes of their choice in pairs or individually and have

reduction in the number of patients we can treat each day. This is something we are currently addressing and hope to expand our hygiene diary to offer increased availability after Christmas.

raised an amazing £1,350.

Donations still welcome

How to Book an Emergency Appointment

To book an emergency same day appointment, please call us on 01223 245266 as we open at 7.45am.

We have a limited number of emergency appointments available each day which are allocated to patients on a first-come, first-served basis. Due to extra safety measures we have implemented because of the pandemic, we are no longer able to accommodate emergency patients at lunch time or at the end of the day as we have done previously.

Further details and fees

Fees

Fees for 2021 will remain the same as this year. Appointments where an aerosol is generated will continue to incur an additional £30 charge.

View fee schedule

Extended Opening Hours

We have recently extended our opening hours at both practices:

Queen Edith's Way:

Monday to Saturday, 8-6pm

Copley Hill Business Park

Monday to Friday, 8-6pm

At our out of town Copley practice we offer Hygiene appointments and general and specialist dentistry with Julian Martin, Nick Williams and Puneet Patel. All of our dentists periodically use the surgeries to treat patients offering the choice of a second location.

Dentistry for Children with Dental Decay in Egypt

We are delighted to be able to support the charity Coptic Dental by donating to their amazing project.

Their goal is to provide free mobile dental clinics in rural communities in Egypt where 70% of children have untreated dental decay. The charity is already half way to their goal of £50,000 for their first clinic.

Electric Toothbrush Cases: £10 The Perfect Stocking Filler

Fits most Oral B electric toothbrushes, including 'Vitality' (not the 6000 range and upwards)

- Dishwasher safe
