

Your continued dental care

You will already have heard directly from Nick Williams that after a long and very happy time at Devonshire House he has decided to retire. We are sure that you will join us in wishing him well as he begins his next chapter.

We recognise that a change of dentist can be daunting and we would like to reassure you that the entire team at Devonshire House are looking forward to continuing to care for all of your future dental needs.

We recommend you to the excellent care of our Specialist Prosthodontists Guy Stephens, Safa Somi and Deepesh Patel who all work at our main practice. Like Nick, all three offer general and specialist dentistry and will be delighted to meet you.

You may have received a recommendation to transfer to another of our team and we reassure you that all of our dentists will be happy to continue your care.

Specialist Prosthodontists

New online appointment booking

We are delighted to announce the launch of our new online booking facility via our website.

You will now be able to book routine appointments at our main practice at 2 Queen Edith's Way, Cambridge with many of our dentists and hygienists.

Unfortunately we are unable to offer online booking for our Copley Hill surgery at this time; however we hope to introduce this option in the next few months.

You will also receive reminders by email for your routine appointments with a link to the online booking page for your usual dentist or hygienist. If you don't mind which of our team you visit, you can access the availability for all of the team via our website.

Please do not hesitate to contact our reception team on 01223 245266 with any questions or if you would prefer to book an appointment by phone.

Kind regards

Julian, Ian, Wail and Cyrus
The Devonshire House Specialist Clinical Directors
