

Online Appointment Booking Now Available

We are delighted to announce the launch of our new online booking facility via our website.

You will now be able to book routine appointments at our main practice at 2 Queen Edith's Way, Cambridge with many of our dentists and hygienists.

Unfortunately we are unable to offer online booking for our Copley Hill surgery at this time; however we hope to introduce this option in the next few months.

You will also receive reminders by email for your routine appointments with a link to the online booking page for your usual dentist or hygienist. If you don't mind which of our team you visit, you can access the availability for all of the team via our website.

Please visit our website for further details or to book an appointment.

Kind regards

Julian, Ian, Wail and Cyrus
