

Are you running low on oral health care products?

Dear Patient,

To support you during our period of temporary closure, we would be delighted to supply you with any of your oral health care products that you would usually purchase from us when attending an appointment. These include items such as mouthwash, dental floss, interdental brushes, specific toothbrushes, dental wax etc. as recommended by your Devonshire House dentist or hygienist.

How to order

Simply email us with a description or picture of what you would like to order together with your full postal address and we will post your item(s) on a Wednesday or Saturday.

How much will it cost?

On receipt of your email, one of our team will be in touch to let you know the cost of your product(s) and to check that you are happy to proceed. Each order will incur a delivery charge of £3.50.

How to pay

An invoice will accompany your order with details of how to pay by electronic bank transfer (BACS) so that you can make payment online at any time of day convenient to you.

Email us to place an order

We want to reassure you that whilst the immediate period may be one of uncertainty and difficulties, we are still able to offer our existing patients emergency dental advice and antibiotics where necessary and look forward to welcoming you back to Devonshire House when we reopen.

Keep well and stay safe.

With our very best wishes,

Julian, Ian, Wail and Cyrus
The Devonshire House Partners
