

## Our protocols remain unchanged

As most restrictions lift in England we would like to reassure you that our procedures to keep you safe at Devonshire House remain unchanged,.

### We continue to:

- *ask patients to wear a face mask at the practice*
- *take patients' temperature on arrival*
- *ask patients to wait in their car or outside on arrival*

### Introducing Balraj Sidhu

We are delighted to welcome Specialist Prosthodontist Balraj Sidhu to our team of Devonshire House Specialist Dentists. Bal brings with her a wealth of experience and looks forward to meeting patients at our main practice at Queen Edith's Way, Cambridge

We appreciate that there is currently a longer wait for appointments than usual especially for hygiene appointments. We ask you to kindly bear with us during this time where demand is high.
