Referral Criteria for Dental Exposures

The document to be used by both parties as the basis for the referral of patients and the justification and authorisation of dental CBCT examinations is '*Radiation Protection: Cone Beam CT for Dental and Maxillofacial Radiology (Evidence Based Guidelines)*'. In May 2012 this document was formally published in the European Commission's Radiation Protection series. It can be downloaded from sedentext.eu and is freely available and accessible to all.

Entitlement of Person

Enter below details of all persons at the referring practice who will refer patients for dental CBCT examination and/or report on dental CBCT images. Evidence of training (copies of CPD certificates) meeting the requirements of the HPA/BSDFMR Core Curriculum in Dental CBCT must be provided.
