2022 Fees Update

We are pleased to confirm that our patient consultation fees remain the same next year. However, due to rising costs, we have increased our treatment fees so that we can continue to provide patients with the best possible care in a safe environment. Full details of all our fees are available on our website so that you can discuss our fees with your patients prior to referring.

Treatment plans, where the treatment commenced prior to 31st December 2021, will be honoured at the quoted prices. Prices on treatment plans that have not yet commenced continue to be valid for six months from the date of issue.
