

Reduced cost implant treatment for your patients

More reduced price opportunities for patients requiring implant treatment willing to be treated by course delegates on selected dates

£2,500 per implant & extras if required

We are delighted to be able to offer the next batch of your patients reduced cost implant treatment as part of the SmileTube.tv® implant course.

Our course delegates will treat your patients at Devonshire House under the close supervision of Wail Girgis, one of our experienced Specialist Prosthodontists, whilst carrying out all of the stages of implant treatment from assessment for suitability to restoration.

No obligation to proceed with treatment

At your patient's first appointment we will take a ct scan to determine whether they are a suitable candidate for implant treatment which will cost £175. We will discuss with them the extent of their treatment and advise them of the costs. They are not obliged to proceed with treatment and all appointment fees are included in the per implant cost.

Fees

- First appointment - diagnostic dental CT scan £175
- £2,500 per implant this includes all further appointment fees
- Aftercare pack £100 (Mouthwashes, antibiotics)
- Additional fees will be charged if complex procedures are required: bone grafting £350 per site, sinus lift £600 per site

Patient criteria

The ideal patient will have a single missing tooth. However, slightly more complex cases will be considered.

If you are unsure about when to refer as your patient requires an extraction, please feel free to email Wail for advice.

How to benefit from this reduced price

To benefit from this reduced price, your patients will need to be available to attend appointments on our designated course days at Devonshire House in Cambridge. These will take place on specified Tuesdays from January 2022. If you would like further information or if you have a patient who is interested in taking up this opportunity, please feel free to call a member of our Reception team on 01223 245266 or refer a patient online.

When referring a patient please

- Clearly mark your referral form with "SmileTube Referral" to ensure your patient qualifies for the reduced rate.
- Remind your patient that in order to benefit from the reduced price, they will be required to attend an appointment on one of the pre-set course dates.
