

We are ready to welcome your referrals

Dear colleague,

Over the last eight weeks we have gradually reopened Devonshire House, our satellite practice and our Dental Lab enabling us to welcome back more of our team and patients. As our new "COVID-19" way of working has now become the norm, we are delighted to be able to welcome your referrals.

We are able to offer treatment in all specialisms: orthodontic, endodontic, periodontic and prosthodontic and our dental radiographers can once again accept scan referrals. To see how we are advising patients to keep them safe during their visits, please click on the button below.

We hope that all is well with you and your team and look forward to receiving your referrals and working with you again soon.

Julian, Ian, Wail and Cyrus
