

Free Prosthodontic Case Planning Thursday 8th December 6.30-8.30

Dear Dental colleague,

We invite you to join us at our Prosthodontic Case Planning Study Club to discuss any of your cases and treatment plans and earn 2 hours of verifiable CPD. The evening will provide a forum to discuss cases including diagnosis, treatment planning, techniques, materials, instrumentation, and your own cases.

Please bring along a brief case history, radiographs and study models of a particular case you would like to discuss.

Places are free of charge and are limited to eight to allow time for everyone to present and plan at least one case. Food will be provided.

We do hope you can join us.
